### **Dynapac Announces Partnership with Dynamic Equipment Group to Expand Compaction Equipment Sales and Support Across Central and South Florida**

#### FOR IMMEDIATE RELEASE

**Fort Mill, SC — June 18, 2026** — Dynapac North America is pleased to announce its partnership with Dynamic Equipment Group as the authorized dealer for Dynapac's full line of compaction equipment across a significant territory in Florida. Dynamic Equipment Group's coverage spans from Gainesville to the Florida Keys, supported by eight branch locations strategically positioned to serve every major market in between.

Through this partnership, Dynamic Equipment Group will provide equipment sales and rental, service, parts, and technical support for Dynapac's complete portfolio of soil and asphalt compaction equipment, ensuring customers throughout the region have access to industry-leading solutions and dedicated local support.

The transition reflects the strong collaboration between Dynapac North America and Dynamic Equipment Group, with both organizations working closely together to ensure a seamless customer experience and uninterrupted support for contractors across the territory.

*"We are excited to welcome Dynamic Equipment Group as our dedicated compaction dealer in this important Florida market," said **Matt Nelson, Dynapac North America**. "Our teams have worked hand-in-hand throughout this transition to ensure the smoothest possible experience for Dynapac customers. Dynamic Equipment Group brings the local expertise, commitment, customer focus, and rental experience needed to support a market that relies heavily on rental solutions for contractors of all sizes across the Sunshine State. We are confident this partnership will strengthen our ability to serve Dynapac end-users throughout the region."*

Dynamic Equipment Group shares Dynapac's commitment to customer support and long-term partnerships with contractors throughout the territory.

*"We share Matt's enthusiasm for this partnership and our mutual focus on delivering exceptional customer support," said **Scott McGuigan, Dynamic Equipment Group President**. "We are proud to bring Dynapac's full compaction product offering to contractors throughout Florida, supporting both legacy Dynapac earthmoving and asphalt customers while introducing new users to the brand. With nearly 100 years of compaction excellence, innovative technologies, and a reputation for performance and reliability, Dynapac is uniquely positioned to help contractors succeed. We look forward to continuing to grow the Dynapac brand while supporting our customers with industry-leading equipment, service, and expertise."*

Dynapac's compaction portfolio includes a comprehensive range of soil compactors, asphalt rollers, pneumatic tire rollers, walk behind compactors and advanced compaction technologies designed to maximize productivity, efficiency, and jobsite performance.

Together, Dynapac North America and Dynamic Equipment Group remain committed to delivering best-in-class equipment solutions, responsive service, and unmatched customer support throughout the Florida market.

*Dynamic Equipment Group President **Scott McGuigan**, Corporate Sales Manager, **Ed Cancela** along with territory managers and branch managers from across Florida, recently participated in comprehensive sales training and product introduction sessions in preparation for the formal announcement of Dynamic Equipment Group's new partnership with Dynapac North America.*

*The Dynapac training team included **Matt Nelson**, Director of Dealer Sales; **Jennifer Bishop**, Director of Product Marketing & Customer Experience; **Bill Nittinger**, Business Development Manager; **Ed Nittinger**, Dealer Sales Manager – Southeast Region; **Eric Booth**, Product Manager – Asphalt Compaction; **Matt Moya**, Rental Sales Manager – East and **Tito Alvarado**, Corporate Training Manager.*
