Dynapac Appoints Marshall Machinery as Dealer for New Jersey and Key New York Counties

Fort Mill, SC — October 9, 2026 — Dynapac North America is pleased to announce the appointment of Marshall Machinery as its newest dealer, expanding Dynapac's presence across the Northeast. Marshall Machinery represents Dynapac's complete portfolio of compaction and light equipment solutions in Northern New Jersey and the New York counties of Dutchess, Orange, Putnam, Rockland, Sullivan, Ulster, and Westchester. Southern New Jersey will support the complete line of Dynapac's soil compaction portfolio.

Marshall Machinery brings decades of experience supporting construction, roadbuilding, agricultural, and industrial equipment customers throughout the region, with established facilities and a strong commitment to equipment sales, product support, parts availability, and service excellence. Marshall Machinery operates multiple locations across New Jersey, New York, and Pennsylvania, providing extensive coverage and customer support throughout the territory.

The addition of Marshall Machinery strengthens Dynapac's commitment to providing contractors with industry-leading equipment backed by exceptional local support and service.

"Marshall Machinery has built its reputation on providing customers with dependable equipment solutions and best-in-class support," said **Earl Marshall, President of Marshall Machinery**. "Adding the Dynapac product line allows us to offer our customers some of the most respected compaction and paving equipment in the industry. We are excited to partner with Dynapac and look forward to helping contractors throughout New Jersey and the Hudson Valley improve productivity, performance, and profitability."

Marshall Machinery will offer the full range of Dynapac equipment, including asphalt rollers, soil compactors, pavers, screeds, light compaction equipment, and related aftermarket support.

"We are excited to welcome Marshall Machinery to the Dynapac dealer network," said **Matt Nelson, Director of Sales – Dealer Channel, Dynapac North America**. "Marshall Machinery's strong customer relationships, experienced sales and service teams, and commitment to supporting contractors make them an ideal partner for Dynapac. Their presence in New Jersey and key counties throughout southeastern New York will strengthen our ability to serve customers and continue growing the Dynapac brand across the Northeast."

The partnership reflects Dynapac's ongoing investment in building a strong dealer network capable of delivering industry-leading equipment, responsive support, and long-term customer success.
