Purpose

To achieve a Lean Logistic Concept, packing's like pallets, lids and frames and also Dynapac's special load carrier, mini- small- and big boxes must be ordered from Dynapac packaging pool.

The packaging shall be used for deliveries to Dynapac Compaction Equipment AB in Karlskrona. The ordered packaging will be invoiced from Dynapac according to a defined Price List, see below.

When deliver to Dynapac, the Supplier must follow the Price List for packaging when adding the packaging fee in the invoice. Dynapac strives to reach a zero sum calculation for packaging costs.

Routine

The supplier sends a request for packaging to email address:
emballage.karlskrona@dynapac.com

In the email, following information must be entered:

- Supplier Name
- Supplier Address (deliver address)
- Order QTY of the different packaging types

Within one (1) week from order date, the packaging will be shipped from Dynapac.

Packaging's unique for Dynapac (special load carriers) **not** specified in Price List will not be charged from Dynapac and the supplier are not allowed to send a packaging fee when using them.
